

WINNEBAGO

ADVENTURER 30T AE

ACCESSIBILITY ENHANCED ADVENTURER

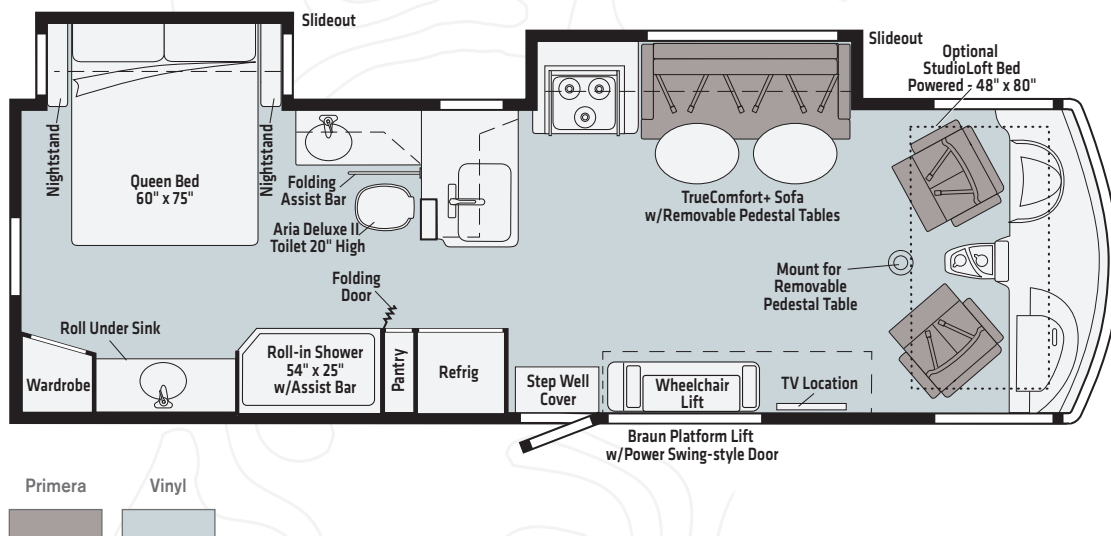

Our top gas-powered coach, the Winnebago Adventurer® is loaded with features and amenities typically reserved for diesel pushers. This famed nameplate is the perfect accessible travel partner — with the slides in there's still enough aisle access for most wheelchairs. At 31 feet in length, the Adventurer is a go-anywhere coach with enough elbow room for comfortable living and entertaining.

1. The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please contact your dealer for further information.
2. Floorplans feature a wide-body design - over 96". In making your purchase decision, you should be aware that some states restrict access on some or all state roads to 96" in body width. Before making your purchase decision, you should confirm the road usage laws in the states of interest to you.
3. The load capacity of your motorhome is designated by weight, not by volume, so you cannot necessarily use all available space when loading your motorhome. Measurements are based on the most recent information available. See your dealer for specifications.

Not all items available in combination. See dealer for details.

Winnebago's® continuing program of product improvement makes specifications, equipment, model availability, and prices subject to change without notice. Published content reflects the most current product information at the time of printing. Please consult your dealer for individual vehicle features and specifications.
