ROAM

Travel in Freedom and Comfort

Built on the Proven Ram Chassis

The foundation of the Roam is the Ram ProMaster® chassis, a proven package that delivers ample power, fuel efficiency and agile handling, and incorporates a full suite of safety features, including rear camera and cross-wind assist.

Remote-controlled Wheelchair Lift for Easy Access

The BraunAbility® UVL® wheelchair lift with wireless remote and 750-lb. capacity, provides easy access into and out of the Roam, while integrated tie-downs secure the wheelchair and allow you to use it as another seat while you travel.

A Private Bathroom Everywhere You Go

The Roam bathroom features an integrated shower and a cassette-style toilet, and eliminates the inconvenience and stress of trying to find a clean, accessible restroom while away from home.

A Comfortable Place to Rest or Sleep

At the push of a button, the Roam's powered sofa/bed converts into a comfortable sleeping space for overnight camping or for taking a rest between the day's activities. Bring the whole family with an optional, easy-to-use pop-top, which comfortably sleeps two (59RZ).

Smarter Storage Solutions

Cabinets and storage compartments are designed to provide easy access while seated.

Convenient Galley for Meals on the Go

The galley includes a refrigerator, microwave and sink, plus an outlet for your favorite kitchen appliance or induction cooktop, making it easy to bring along and prepare your favorite foods.

FOOTNOTES

1. The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please contact your dealer for further information.

2. Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.

3. Actual towing capacity is dependent on your particular loading and towing circumstances which includes the GVWR, GAWR, and GCWR, as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.

4. See separate chassis warranty.

5. Sleeping capacity was determined with the optional pop-top.
